

Lions Environmental Photo Contest

District 5M-1 will be running the Lions Environmental Photo contest yet again. Lions in good standing can enter an original, unaltered, black-and-white or color photo (without people) of the environment of their Lions club in the following 2011-12 Lions Environmental Photo Contest categories:

- **Animal Life**
- **Landscape (Urban or natural)**
- **Plant Life**
- **Weather Phenomenon**
- **Protecting our future with trees: Photos of trees and the vital role they play in our communities**

District 5M-1 LIONS CLUBS can run their own photo contest selecting and submit one winning photo to the district. The impartial judging of photos should focus on originality, artistic merit, and portrayal of the environmental theme. If no contest is being run by the Club, a Lion can turn in a photo signed off by the Club President as being the only entry originating from the Club. **An 8" x 10" (20.3 x 25.4 cm) printed photo should be received by 11th January, 2012.** One photo will be selected to go to onto the Multiple District before Jan 15. Recall that our District had a winning submission in 2010!

Photos with the accompanying form should be sent to:
