

Lions and Habitat for Humanity

After waiting two years, a suitable site has been located for a blind couple, Jim & Debbie Ruby to receive a house from Habitat for Humanity with Lions Club and LCIF assisting funds. At the 30Jan-1Feb04 Mid-Winter Lions Convention in Austin, a resolution was passed resolving that the entire District 5M-1 is invited to support the Red Wing Lions Club in raising \$15,000 by June 2004. Raising the \$15,000 by District 5M-1 Lions Clubs as a District project we can solicit LCIF to match these funds and assist Habitat for Humanity in building a home for this blind couple. Please help us to make this home possible by sending your club contribution to Lion Greg Larson, District 5M-1 Treasurer, 3216 N. Main St., Austin, MN 55912. Your check should read "Lions Dist. 5M-1, Habitat for Humanity." Again as Lions, we have another opportunity "TO SERVE."

Thank you. PCC Richard J. Johnson
