JOE AL PICONE INTERNATIONAL DIRECTOR

Joe Al Picone, from Brenham, Texas, USA, was elected to serve a two-year term as a director of The International Association of Lions Clubs at the association's 94th International Convention, held in Seattle, Washington, USA, July 4-8, 2011.

Director Picone is the President and CEO of the Blinn College Foundation.

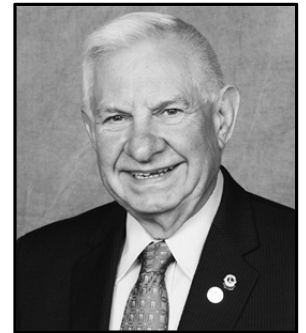

A member of the Brenham Evening Lions Club, and a Lion since 1966, he has held many offices within the association, including club president, district governor, council chair, state membership chair, and state Campus Club chair. He also served as a member of the host committee for the Ft. Worth, Texas Forum, chair of the Texas Lions Long-Range Planning Committee, chair of the Texas Lions Camp by-laws committee and president of the Past District Governors Association.

In recognition of his service to the association, he has received numerous awards including the 100% District Governor Award, Harry Reasonover Award, two International President's Certificates of Appreciation, two International President's medals, an International President's Leadership Award, the Supreme Extension Award, an International Key Award, and the Ambassador of Goodwill Award, the highest honor the association gives to its members. He was also inducted into the Texas Lions Hall of Fame and is a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Picone is active in numerous professional and community organizations, including serving as chair of a city Planning and Zoning Commission. He has also served as president of the Board of City Development, the Washington County Chamber of Commerce, and local March of Dimes and United Way organizations. He was inducted into the Brenham High School Hall of Fame and the Blinn College Hall of Fame. He has received numerous honors, including the Washington County Man of the Year Award, and being named to the Phi Theta Kappa International Hall of Honor and the Brenham Maifest Hall of Fame.

Director Picone and his wife, Merle, also a Lion, have two sons and one granddaughter.

International Director Joe will speak at our 5M1 mid-winter convention, and he will be available to answer any questions that you may have about Lions Clubs International.

What Do You Know, Joe?

By District Governor Joe Schlichenmeyer

They tell me that Alaska is twice as large as Texas, but has only around 700,000 people. Anchorage has about 33% of that population, with a hodge-hodgepodge of old and new buildings. We were delightfully surprised when we walked out of the airport to a temperature of 60 plus degrees.

The USA/Canada Lions Leadership Forum was the best one Pat and I have attended to date. This was our fourth forum. President Tam was on fire, and so passionate; he tied planting trees with retention of Lions very well. President Tam and I both believe that we need to nurture our large Lions family just as the new trees need to be nurtured.

Our first seminar was “Shift Happens” by Mary Kay Muller, a fantastically motivating speaker, who talked about a formula to bring younger lions into our Clubs. If you ever get a chance to listen to Mary Kay, take it. It will be well worth your while.

Pat and I also went to other seminars, including “Care and Nurturing of New and Mature Lions,” “Global Leadership Team,” “I believe in Service Extension,” “Social Networking,” and “Why are Lions Leaving their Clubs”. Next year the forum will be in Tampa, Florida. If you get a chance to go, you will not regret it.

Our first round of zone meetings was well attended. If you attended your zone meeting and you get a chance, please let me know what you think of the new format. My email address is

joepatse@hbcsc.net.

October will be very busy. Our 5M1 Lions Forum on October 8th should be very informative. If you go you will not be disappointed. This Forum is for all Lions, and our Lions leadership team worked hard to bring in presenters whom you don't hear every day. Join us at the RCTC Heintz Center in Rochester. See page 9 for contact information for Lion Larry Stryker to register if you want to come.

Don't forget to save January 20, 21, and 22, 2012 to attend our mid-winter convention. International Director Joe Picone from Texas will be our guest at our mid-winter. I am really looking forward to our convention with great presenters and good music. Life doesn't get any better than that.

If you haven't scheduled a date for my visit, please do so as soon as you can. Pat and I have really been enjoying the club visits. Just as a reminder, please send me your club's newsletter — it is good to read about what is going on in our district.

5M1 is working hard to establish two new Lions clubs — a campus club in Winona and a medical specialty club in downtown Rochester. If you can help with these projects please let PDG Roy Larson know.

Does time ever fly when you are having fun! Plant those trees, and please remember that “We Serve” our fellow Lions as well as we serve our communities.

Have you asked someone to become a Lion today?

Getting There

By First Vice District Governor Gloria Dockter

As I write this article, four zone meetings have been held with good representation from the clubs. Attendees were doing “meeting and greeting” with the cabinet chairpersons, scheduling club visits, and picking up program information to take back to their clubs. Equally important was the networking and the sharing of information with members of other clubs

September 22-24 is the USA/Canada Lions Leadership Forum in Anchorage, Alaska. The forum was another great Lions learning opportunity, with great speakers and seminars. I am grateful for the opportunity to attend the forum and especially happy to reconnect with the other vice district governors from Multiple District 5M (MD5M) and others I met at Leader Dog training. Such great people we meet in Lions! We learn so much from sharing ideas.

October 13th thru 15th Lion Vern and I along with the other 5M vice district governors will continue our training in Mahanomen. We are truly blessed to have a group of very dedicated Lion instructors to guide, direct, and teach us.

I hope you're looking forward to the **5M1 Fall Lions Forum** on Oct. 8th at the Heintz Center in Rochester as much as I am. We have an outstanding schedule of events, that will be full of information. The 5M1 Fall Lions Forum is for any Lion who wants to enhance leadership capabilities in an atmosphere that's non-stop learning and fun. Registration starts at 8:30 a.m., and the forum will end at noon. The cabinet meeting will follow lunch, which you can buy when you register. **Everyone is welcome to attend.**

Convince yourself that *you* make the difference. A single act creates a ripple effect that can be felt many miles and people away. All changes start with one person, one thought, one word, and one action.

Next letter in the ABC's

Obligation. Do or should Lions feel an obligation to our commitment to community service?

In 1925, when Helen Keller charged Lions to become “Knights of the Blind,” I believe we became **obligated** at that time to serve those with visual and hearing impairments.

Through the years our **obligations** seem to have gone off in many different directions, caring for the needs of our individual communities. In these difficult economic times when we are struggling for both members and funds to serve, maybe we should get back to the basics of that original **obligation**. We do not need to set new goals each and every year that require more manpower than we have.

Remember that the **LIONS** original signature project or **obligation** was to the visually and hearing impaired. It is what our communities know us for. Get back to what we do best.

Until next month...

Yours in Service,

1st VDG Gloria Dockter

La Crescent Lions Glucose Screening

By Lion Bruce Kline, 5M1 Diabetes Co-chair

Blood Glucose Screening. Pictured here are four beautiful ladies (nurses/nursing students) who aided the screening at the LaCrescent High School on September 18th, 2011.

For about the past 10 years, the LaCrescent Lions have conducted a free blood glucose screening in conjunction with their annual pancake breakfast. The district appreciates the effort the club makes in providing the opportunity of awareness for so many to be tested and educated about diabetes.

Second Vice District Governor

By 2nd vice District Governor Earl Orvik

The first round of zone meetings is about over, and I have enjoyed visiting the different zones and seeing and hearing of activities going on at the club level and the inspiring messages given by the guest speakers. I believe the new format is a great change.

TREES !!!! That's what one of International President Tam's goals is this this year. His desire to plant one million trees during his year was realized in the first 60 days of his reign. However, DG Joe's goal of 50 trees has a long way to go. District 5M1 has a total of **five** so far.

Secretaries, please report any trees planted by members of your club during this Lion year on your M & A report, and also report to me as well. DG Joe has asked me to keep track of his goal. Each club that reports a planted tree will receive a badge to be added to your banner. A club that is in the top 100 in our constitutional area (United States of America, its affiliates, Bermuda and the Bahamas) will receive a special plaque and recognition in the *Lions Magazine*. This is also important to DG Joe. He will receive a plaque if 50% of the clubs in the district are involved in the TREE PLANTING PROJECT.

So, make plans this fall or make plans for a project this coming spring.

I'm looking forward to seeing you on Oct 2nd for the bus trip to the Rockwell City Correctional Facility, at the Fall Forum on Oct 8th, and the Region Meetings in November.

Why Plant Trees?

From the LCI website

Lions often focus on changing the world by direct service to people in need. But making the world a better place starts with changing the world itself.

Trees play an important part in making our planet a healthy, beautiful habitat for the human race. In addition to renewing the atmosphere, trees conserve soil and water, control avalanches, prevent desertification, protect coastal areas and stabilize sand dunes. They support nearly 90 percent of terrestrial life on Earth.

Yet trees are disappearing at an alarming rate. Latin America, Africa and Asia are losing millions of acres of forested land each year. That's why it is important for your club and district to help Lions reach our goal of planting one million trees worldwide this year. For more information, try this link:

Puttin' on the Ritz

Barb Gage, Camp Winnebago Director

September 8, 2011

YOU'RE INVITED!

Dear Friends of Camp Winnebago:

Once again Camp Winnebago is hosting its fourth annual **“PUTTIN’ ON THE RITZ”** event on Saturday, October 15, 2011 and you’re invited! **“PUTTIN’ ON THE RITZ – Dancing With the Stars** — will be a fun-filled evening with appetizers, a gourmet meal with a variety of wines and beverages, a silent auction, a dessert auction, entertainment and music, dancing, and much more. Social hour will begin at 5:30 p.m., followed by dinner at 6:30 p.m. This year’s featured entertainment will be a dance contest between some ‘special’ guests, coached by professional dancers from the Fred Astaire Dance Studio.

Tickets for **“PUTTIN’ ON THE RITZ – Dancing with the Stars”** are on sale now. Space is limited. Tickets are \$40 for an individual or \$75 for a couple. Businesses, organizations, and individuals can also sponsor a table of eight for \$500. Donations will also be accepted to help offset the cost of this event. Table sponsorship includes priority seating and recognition at the table, as well as all the sponsors/donors being recognized in our program for this event and special recognition in the camp’s annual newsletter. We are also looking for quality silent auction items. **ALL FUNDS RAISED FROM THIS EVENT BENEFIT CAMP WINNEBAGO AND ITS PROGRAMS!**

For more information on **“PUTTIN’ ON THE RITZ – Dancing with the Stars”** go to www.campwinnebago.org.

Sincerely,
Barbara Cage

Can Do Canines

By Al Peters, Can-Do Canines

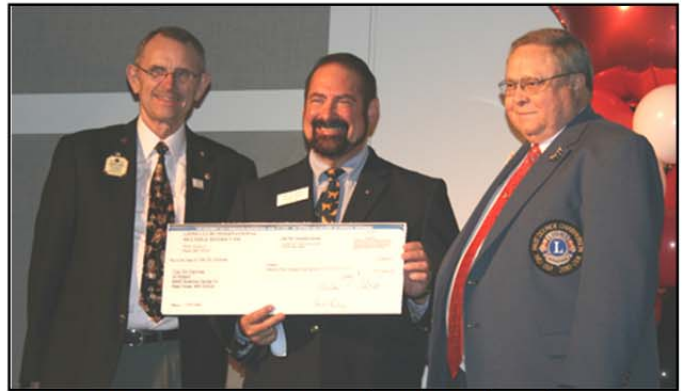

Lions Roar!

Thank you, Lions, for making it possible for Can Do Canines to expand our kennels to house up to 20 more assistance dogs in training! Lions Clubs across Minnesota raised \$77,050 during 2010, and LCIF has now matched that effort with a check for \$75,000 in additional funding so that the new kennels can finally be constructed. Construction begins about September 1, 2011. Thank you, Lions!!

But don't stop now— we still need your help! Please consider helping again in one of these eight ways:

1. Spread the word! **Tell someone with a disability** to contact us for information.
2. **Buy a table** for the November 5, 2011 **Fetching Ball Gala** event.
www.fetchingball.com
3. Bring your club members to a **tour of our facility**. The next tours are September 13 and October 1. Other dates and times will be posted on our website.
<http://can-do-canines.org>
4. Make a special contribution from your club to **help us complete our building fund**. We still need to raise \$800,000 before we are done, but still need to have your general support each year.
5. Ask your Can Do Canines chair to **bring a presentation to your club** meeting.
6. **Make a personal contribution**.
www.can-do-canines.org
7. **Sign up for our E-Newsletter** at
www.can-do-canines.org.
It is full of wonderful stories, interesting video clips, and it's free!
8. Put in a request for a **Parade of Green contribution** at your mid-winter convention. Make your district a **100% District!**

LCIF Check. L to R, PCC Frank Loken, Lion Al Peters and PCC Jim Diehl just prior to the Can Do Canines graduation event. Lion Al is holding a check from LCIF for \$75,000 to help complete the Lions Kennel at the Can Do Canines' new facility.

Graduation Day. Thirteen Graduates were honored at the Graduation Ceremony on August 13, 2011.

Newsletter Articles Needed

Attention All Clubs!

This space (or a bigger one) is available in a future newsletter for an article about one of your club projects.

There are 56 Lions, Lioness and Leo clubs and/or club branches in District 5M1. Of those, at least 22 clubs have never been heard from! Space is available in every issue of the newsletter for articles about your activities. The front page of this newsletter should ALWAYS be about a neat project done by one of the great clubs that we have in District 5M1.

Send your information, with pictures and names if possible, by e-mail to me at

5M1 Lions Work and Volunteer at the State Fair

By Lions Greg Larson, Lee Grippen and others

The Caledonia Lions served as workers at the Minnesota State Fair once again as Midway ticket sellers. The group of six Lions from Caledonia represented one of several clubs who worked during the State Fair. This is the 15th year that the Caledonia Lions have worked at the fair.

Editor's note: This is an excellent way to earn money for your club's administrative fund. The fair board pays over \$7.00 per hour for each worker on a shift, and you have fun!

Caledonia Workers. L to R, Lions Jason Meiners, Margaret Meiners, Mary Pieper, Lee Grippen, and Rosine and Mac Macomber.

Lions Vision and Hearing Booth at State Fair

In July Past District Governor Clair Mrotek called to ask if anyone from the Austin Morning Lions would be interested in working at the Lions Vision / Hearing Booth at the State Fair. District 5M1 has been privileged to serve the booth for the first day of the Minnesota State Fair each year. Members of the Red Wing, Cannon Falls and Austin Noon Lions staffed the first three shifts that day. Terry Zabel from the Austin Morning Lions and my wife, Lynee, and I were able to work the last shift on August 25th.

Lynee and I went up early that day to meet our niece and nephew and our great niece and nephews. There was a mob of people at the State Fair, but it was a great day and we had a great time.

While working at the booth we had several people come up to us and thank us for the work we do as Lions. One person thanked us because he was the recipient of a cornea transplant at the Lions Eye Bank.

Pictured below is my great nephew Gideon, age five, and my great niece Mila, age three, showing off the

sunglasses they received from our booth. The Lions staffing the booth give out ultraviolet protecting sunglasses for children five and under and give out ear

I would recommend working at the State Fair Lions booth in the Education Building. If you have not had a chance to do this I would recommend contacting PDG Clair to get on the roster for next year!

Let's Help Get a Commemorative Coin!

Lions Clubs International

Dear Lion:

Join your fellow Lions from across the nation and call your U.S. Senator(s) asking them co-sponsor the [Lions Clubs International Century of Service Commemorative Coin Act!](#) This bill would authorize the US Treasury to mint 400,000 silver coins in honor of Lions 100th anniversary in 2017 and raise \$8 million to aid the visually impaired, disabled, youth and those affected by major disaster. To pass this legislation we need 290 co-sponsors in the House of Representatives and 67 in the Senate. To date and thanks to your efforts, we currently have 103 co-sponsors in the House of Representatives and 17 in the Senate.

This week Lions Clubs International is focusing on securing the additional 50 co-sponsors in the Senate and we need your help.

Call your Senator(s) now!

Below please find the name of your Senator(s) and phone number(s) along with a phone script to help you facilitate a successful call.

Thank you,

Government and Partnership Relations Department

Sen. Amy Klobuchar 202-224-3244

Phone script:

Hello my name is Lion *[Insert First and Last Name]* from the *[Insert Name]* Lions Club. As a constituent, I am requesting that you co-sponsor the Lions Clubs International Commemorative Coin Bill S. 1299, celebrating the 100th anniversary of Lions Clubs International in 2017.

Passage of the legislation would raise critical resources for ongoing Lions programs for the

visually impaired, disabled, youth and those affected by a major disaster.

Thank you.
