

WINONA SUNSET LIONS CALLING TREE

How it works: President call Secretary and all three Vice Presidents. Each Vice president relays call to the **Team Leaders (TL's)** in his/her column. Each Team Leader than calls the members of his/her team. **If a report is necessary**, team leaders report back to VP's and they report back to President.

If you have problems making your calls (such as you will be out of town, vacation and etc.) feel free to call Bob Andraschko, 454-5463 to help you out.
